To **YOU**th of Alton High School.

Today, as youth leaves through graduation, the world of high school and its joys, it will be met by the seriousness of living in an age of atomic power. And on the shoulders of youth will be placed the consequence of that power.

This book is dedicated to youth with the hope that the goal which they seek will be inspired by a higher power than that with which a scientist could provide. As youth moves, so shall the progress of the world.

# Class History

As we look at "Grandfather's Clock", we find that "Long, Long Ago", in the fall of 1949 we, then numbering thirteen, came "Tramp, Tramp, Trampin'", into the halls of Alton High as freshmen. At first we were "Bewildered" because we were called "Green Freshie" by the haughty seniors, but we realized that "There'll Come A Time", when we, too, would become dignified seniors.

The freshman year began as a busy one. Our officers; president, Donald Wallace; vice-president, Patsy Hunter; secretary, Treva Westfall; treasurer, Donna Miller; student council representative, Elvin Duer; and sponsor, Mr. Jansen had a "Full Time Job".

When "School Days" came the following fall, we welcomed Iova Hulse, as a new member. Our officers; Darrell Crusha, president; Elvin Duer; vice-president; Treva Westfall, secretary and treasurer; Donald Wallace, student council representative; and Mrs. Voss, sponsor worked hard for "The End Of A Perfect Day". Finally the "Good Old Summertime" arrived.

"The Long, Long Trail A Minden", seemed too difficult for Jerry Boland. Our junior class officers were Darrell Crusha, president; Bob Reeves, vice-president; Treva Westfall, secretary and treasurer; Donald Wallace, student council representative; and Mrs. Voss, sponsor.

In the "Pretty Month Of May" we gave our Junior-Senior Banquet. Our theme was "Diamond Horseshoe Roundup". Quickly our Junior year went "Sailing" by.

"Hail, Hail, The Gang's All Here". Yes, with the exception of a few classmates, Iova Hulse, Donna Miller, Patsy Hunter, and Duane Snyder, who thought "My Work Is Done". We welcomed Bob Gilliland and Arlene Puff as members. Velva Wilkenson joined us the second semester. Rapidly the year drew to a close and we all started to talk about the "Good Old Days Gone By".

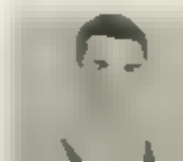

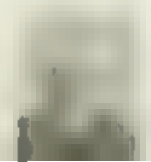

Our officers are; Darrell Crusha, president; Elvin Duer, vice-president; Treva Westfall, secretary and treasurer; Donald Wallace, student council representative; and Mr. Voss, sponsor. Mr. Voss was wonderful in helping us with the senior play, graduation exercises, and other class activities.

Finally as "The Long Day Closes", May 15, we marched down the aisles to receive our diploma, together we had come "Through The Years" at Alton High. We are sure that we will never forget the training that we received and that we will always remain "Loyal and True" to Alton High. It is time to say "Farewell to The-" as "Now The Day Is Over".

## 1953 Class Will

We, the Senior Class of 1953 of Alton High School, passing out this sphere of education, in full possession of well-trained memory and sound mind, do hereby pledge that this be our last will and testament:

### Article I

To the faculty, we bequeath nothing, since they have at last convinced us that we need everything we have.

### Article II

To the Junior--we leave--that ought to make them feel pretty good.  
To the sophomores--a mile of rope to help pull through the next two years.  
To the Freshmen--fifty yards of curtain to keep under cover when a teacher approaches.

### Article III

I, Arlene Duff, will my basketball ability to Bob Holloway.  
I, Lee Barnt, will my big feet to Carlisle Stevens.  
I, Wilda Stockbridge, will my cheerleader spot to Margaret Dugan.  
I, Elvin Duer, will my ability to get along with teachers to Gary Eller to be used wisely.  
I, Deloris Pratt, will my red hair and freckles to Naomi Holling.  
I, Donald Wallace, will my weight to Marilyn Stephenson who can use it much better than I.  
I, Treva Westfall, will my Covert boy friends to Dixie Williams.  
I, Bob Reeves, will my curly hair to Jim Burch.  
I, Darrell Crusha, will my Osborne girl friend to Billy Cox.  
I, Jo Ann Cox, will my blue eyes to Charlene Dugan.  
I, Velma Mae Wilkenson, will my American History book to Mary Jo Peterson.  
I, Bob Gilliland, will my ability to tell jokes to Ralph Williams.

## Class Prophecy

This is 1975. You wouldn't recognize Alton anymore. It is now a thriving metropolis. Alton High School is still a growing concern with new classes coming and going each year. The class of 1953 has really gone down in history. It's illustrious members have attained great heights.

The statement, "Quality is better than Quantity", certainly applies to the members of this class. Bob Reeves has become a minister and is now serving the Alton E.U.B. Congregation. Bob also told us that a former classmate, Arlene Duff, is now a missionary in South Africa. Arlene told us that she had seen a British produced film starring Elvin Duer, the great British movie star. Elvin is happily married to his fifth wife, Margaret Dugan. Elvin had said that last summer as he passed through California he visited the "Vohs Fish Cannery", owned and run by the former classmates Ralph Vohs and Deloris Pratt, strictly on the family basis.

Donald Wallace, is now serving his fifth term as Governor of Kansas, with a former classmate Jo Ann Cox as his personal secretary. Marriage plans are in the air.

As we look further into the year we find Professor Crusha now teaching chemistry at Notre Dame. Professor Crusha is the former classmate Darrell Crusha of high school days. His eleven sons make up Notre Dame's football team.

As we look to the north we see the former classmate Lee Barnt, as proprietor of the "Redwood Lumber Company" in Canada. Lee told us that Bob Gilliland now owned a gold mine in Alaska.

Traveling on we view a large "Guinea Pig Experiment Station" headed by the former classmate Wilda Stockbridge, who is now Mrs. Daryl Carswell. Wilda told us that she had recently heard from Treva Westfall. She is now a great soprano opera star with the New York Symphony Orchestra.

One more stop and we see Velma Wilkenson as head of the Medicial Center in Chicago. Velma is happily married to Kenneth Fetterolf.

Last, but by no means least, we view Mr. Voss, our senior class sponsor, retired for life.

Our crystal ball has revealed this interesting future for each of us.

Donald, a tricky lad, is always ready for fun.  
Elvin, a happy guy, can never be out done.  
Deloris, our red-head, is always full of pep.  
Ambitious Arlene is never out of step.  
Ralph, our sly lad, is our basketball star.  
Bob Reeves, a quiet boy, is really up to par.  
JoAnn, a blue-eyed gal, always wears a curl.  
Darrell, another athlete, likes an Osborne girl.  
Lee, football king, thinks it's the only game.  
Clever Velma Mae, had marriage as her aim.  
Bob Gilliland, a newcomer, had a story handy.  
Wilda, our cheerleader, really in a dandy.  
Treva, small and fair, is an intelligent lass.  
Mr. Voss, a good sport, sponsors our class.
